FEEDBACK CORNER

FROM THE DIRECTOR'S DESK

"Education is not the learning of facts, but the training of the mind to think"

These profound words by the great Albert Einstein are the bedrock on which our school's philosophy rests. The spirit of the school is its infrastructure, the management, students, and staff who work unitedly to make it a living and breathing entity. All our efforts, our work and our endeavours revolve around providing wings to each and every student's potential be it academic, social or emotional level.

At Vatsalya preschool, we have consciously created a welcoming ecosystem where nature, knowledge and compassion are in abundance and synergy with each other. A students are well rounded with a global outlook, resilient in nature with a strong determination to be the best version of themselves. It has been the schools, strong belief that inculcating interest in other domains of learning is essential to develop an expansive world view.

Sports and creative activities inculcate skills and impact learning that cannot simply be learnt from a book. Together, a holistic approach to education is what shapes a person, preparing them to forge their own path in life and take forward those around them, we will continue to strive to sustain an environment, where opportunity, guidance, and ultimately success knows no bounds. We believe that our dreams are achievable because our students are an integral part of our Growth journey. We proudly invite you to visit us to explore our facilities and look forward interacting with you on new horizons and possible initiatives as we progress towards creating and bright and progressive future for our young generation.

KG 1 Concept – Inside & Outside

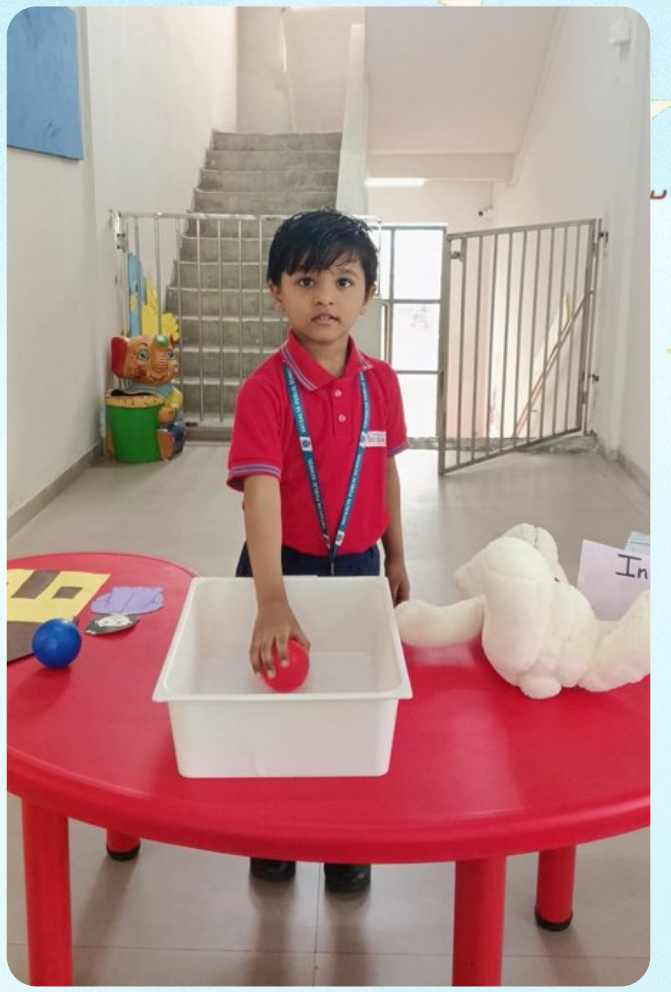

Our KG1 learners explored the concept of “Inside & Outside” through a fun and hands-on activity. Using simple objects and engaging activities, the children learned to identify whether an object is inside or outside a container. The activity encouraged them to observe, understand, and apply the concept through practical learning while developing their thinking, observation, and coordination skills.

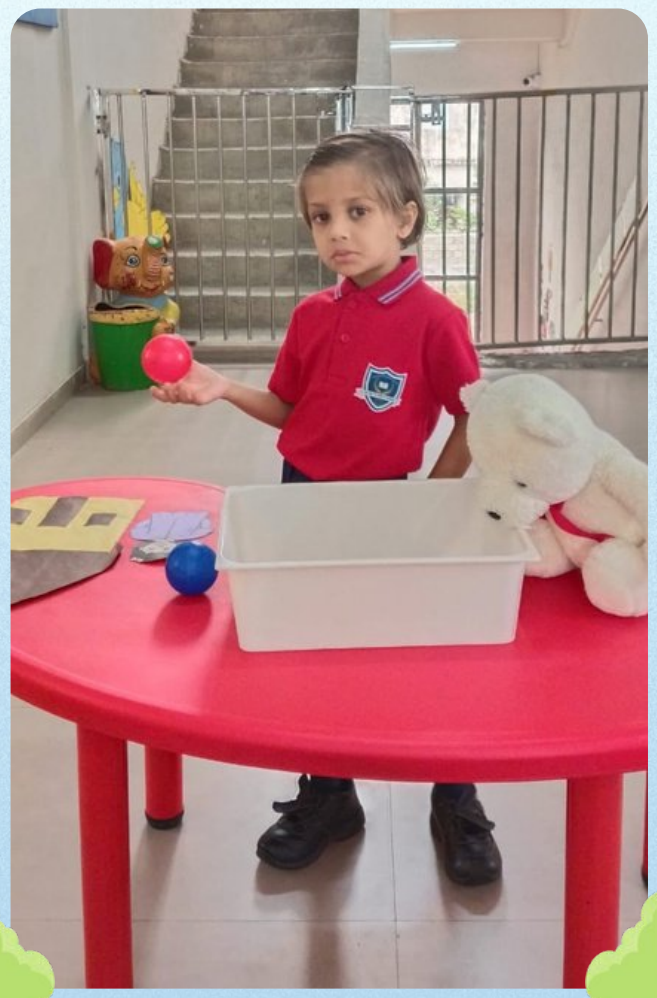

KG 1 Concept – Inside & Outside

Pre –Nursery Grains Transfer Activity

Our Pre-Nursery learners enjoyed a fun and engaging Grains Transfer Activity designed to strengthen their hand-eye coordination and skills. The children carefully used a spoon to transfer grains from one container to another, learning to control their hand movements with focus and patience. This simple hands-on activity made learning enjoyable while helping develop their concentration, coordination, and confidence through playful practice.

Best Out of Waste

Our little learners participated in an engaging “Best Out of Waste” demonstration, where they discovered how everyday waste materials can be creatively transformed into useful and attractive objects. The activity encouraged children to think creatively, reuse materials, and understand the importance of reducing waste and caring for our environment. Through this fun and interactive demo, the children learned that with a little imagination, even simple discarded items can be given a new purpose. 🌱♻️✨

Good Touch and Bad Touch

Our little learners participated in an informative Good Touch and Bad Touch GK Assembly, where they were introduced to the importance of personal safety and body awareness. Through simple explanations, demonstrations, and interactive activities, the children learned to understand safe and unsafe touches, respect personal boundaries, and confidently say “No” when they feel uncomfortable. The session encouraged children to speak up, stay aware, and seek help from trusted one whenever needed.

Teachers Day Celebration

Teachers' Day at Vatsalya Public School was celebrated with great enthusiasm and joy. The day was a beautiful expression of love, gratitude, and respect for our wonderful teachers who nurture young minds with patience and care. Our little learners participated with excitement, making the celebration lively and memorable. Through special activities, cheerful performances, and heartfelt gestures, the children expressed their appreciation for their teachers. The celebration created many happy moments and reminded everyone of the special bond between teachers and their young learners.

Teachers Day Celebration

Janmashtami Celebration

our school campus transformed into a vibrant hub of culture and devotion as we celebrated Janmashtami with immense enthusiasm. Our young learners came dressed in traditional attire as little Krishnas, Radhas, and gopis, complete with flutes, peacock feathers, and colorful costumes. The event featured a re-enactment of Lord Krishna's birth story, complete with creative set setups depicting the Karagar (prison) and the journey across the Yamuna. Hands-on activities added to the excitement as students immersed themselves in decorating terracotta matkis (earthen pots) and crafting festive artwork. Through music, storytelling, and creative arts, the celebration not only filled the atmosphere with festive bliss but also helped our students connect deeply with India's rich heritage and values.

Janmashtami Celebration

Pencil Gripping Activity

Our little learners participated in a fun and engaging Pencil Gripping Activity designed to develop their fine motor skills and improve hand strength and coordination. Through this hands-on activity, the children practised using their fingers correctly and developed better control while picking up and transferring small objects. The activity helped build the foundation for proper pencil grip and supported their readiness for writing and other classroom activities.

Hindi Diwas Celebration

On the occasion of Hindi Diwas, an Inter-Class Hindi Recitation Competition was organised at Vatsalya Public School.

Our little stars beautifully presented their favourite Hindi poems with confidence, expressions, and creativity. Dressed in colourful costumes and carrying adorable props, they brought their poems to life and made the celebration truly special!

A wonderful celebration of Hindi language, literature and expression.

Pola Celebration

Our little learners celebrated Pola, a traditional festival that honours the invaluable contribution of farmers and their beloved bullocks. The celebration brought together creativity, culture, and gratitude, as our students explored the significance of this special festival through colourful decorations and handmade displays. It was a joyful opportunity for our young minds to learn about our rich traditions and appreciate the important role of farmers in our lives.

Assembly on Solid Waste Management

Our Grade 1 students presented an informative and engaging class assembly on Solid Waste Management. Through their presentation and creative waste bins, they learned about the importance of segregating waste at source and understanding different types of waste. The young learners shared a valuable message about reducing, reusing, and recycling and encouraged everyone to keep their surroundings clean, green, and safe. A wonderful learning experience that nurtured responsible habits and care for our environment! 🌍💚

Assembly on Solid Waste Management

Activity on Sense Organs

Our KG1 students explored the fascinating world of sense organs through a fun and interactive learning activity. They learned how our eyes, ears, nose, tongue, and skin help us see, hear, smell, taste, and feel the world around us. Through hands-on exploration and colourful displays, the little learners connected classroom concepts with everyday experiences.

A joyful learning experience filled with curiosity, discovery, and fun! 🌟✨

Assembly on Good Manners

At Vatsalya Public School, character building and value-based learning go hand-in-hand. In our special GK assembly on "Good Manners," young learners embarked on an exciting journey aboard the Good Manners Express. Through colorful visual presentations, interactive props, and creative displays, students explored essential social etiquette, including helping others, saying magic words like "Please" and "Sorry," sharing with friends, and listening carefully. The activity beautifully reinforced the message that good manners make everyone feel happy, valued, and respected.

Ganesh Chaturthi Celebration

Vatsalya Public School echoed with joy and devotion as students gathered to celebrate Ganesh Chaturthi with great enthusiasm. The festivities began with a traditional aarti in front of a beautifully decorated idol of Lord Ganesha, where little ones folded their hands in prayer and sought divine blessings. To foster creativity and hands-on learning, children participated in fun eco-friendly workshops—shaping clay idols, crafting vibrant flower arrangements with marigolds and leaf holders, and engaging in festive crafts. The celebration offered a wonderful blend of cultural values, creative expression, and festive spirit!

Ganesh Chaturthi Celebration

Ganesh Pandal Visit

Adding an experiential layer to our festive celebrations, the students of Vatsalya Public School went on an exciting outdoor visit to the Ganesh Pandal at Professor Colony Ground. Standing before the beautifully adorned idol of Lord Ganesha inside the grand, intricately decorated pandal, the children offered their prayers with folded hands and heartfelt devotion. The field trip gave our young learners a chance to experience the community celebration firsthand, creating joyful memories filled with culture, unity, and devotion.

Ganesh Pandal Visit

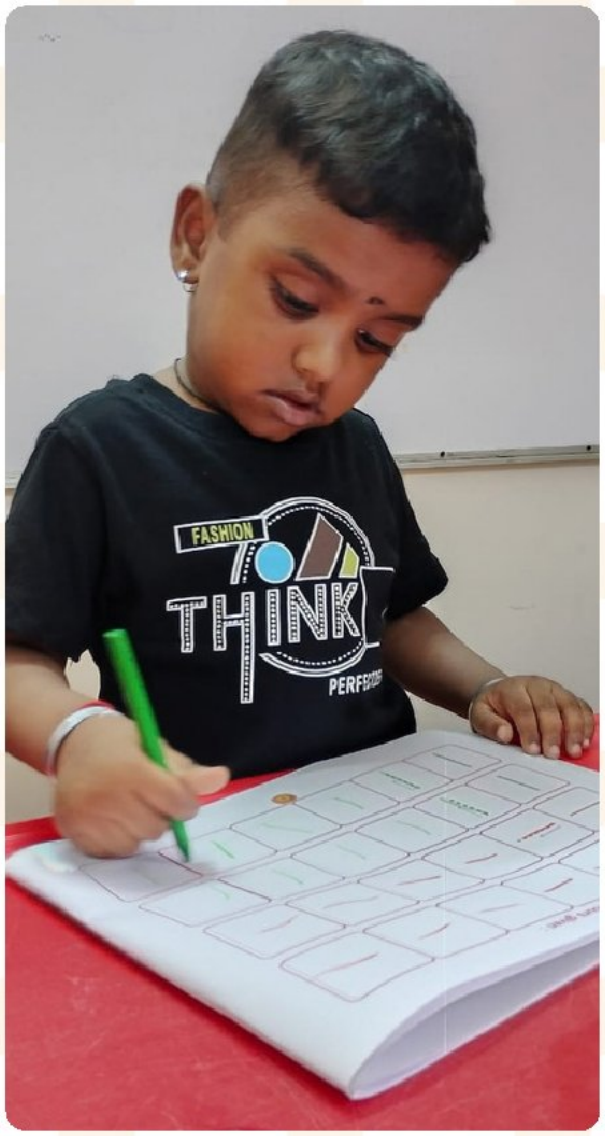

Sleeping Line & Standing Line Activity

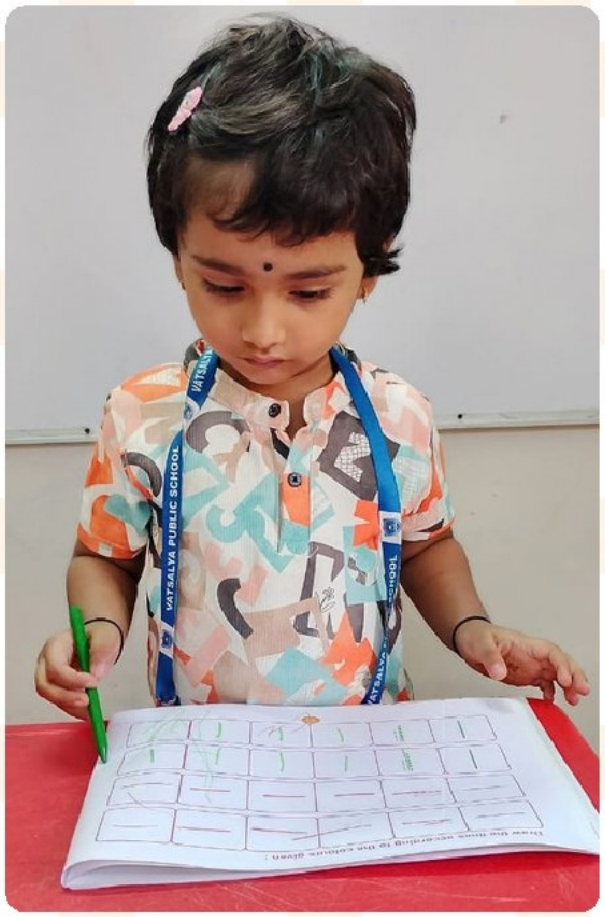

To foster early writing readiness and fine skill development, Vatsalya Public School conducted the "Draw the Sleeping Line and Standing Line" activity. With deep concentration and enthusiasm, our little champions used bright crayons to trace vertical and horizontal lines in their activity workbooks. Exercises like these enhance spatial awareness and grip strength, preparing young minds for confident writing ahead.

Scissor Skill Activity

To strengthen hand muscles and enhance dexterity, Vatsalya Public School organized a fun Scissor Skill Activity for our young students. Guided by safety and precision, children focused intently on snipping through colorful paper strips. Activities like these play a vital role in refining finger strength, focus, and motor coordination needed for everyday tasks like writing and crafting.

Block Tower Challenge

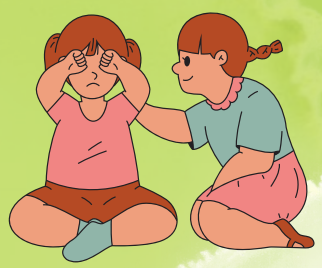

Learning mathematics is most effective when it is playful and tactile! During the "Block Tower Challenge to Understand Numbers," our pre-primary students engaged in a exciting hands-on activity where they stacked numbered blocks to build tall towers. By identifying digits, matching corresponding images, and carefully balancing each block, children reinforced their number recognition, counting skills, and spatial reasoning in an interactive and fun classroom setting.

GK Assembly – Kindness

At Vatsalya Public School, we believe that education extends beyond textbooks to encompass the values that build compassionate human beings. Through interactive skits and creative visual displays, our young learners explored how simple everyday actions can make a huge difference. Creative setups—featuring a special "Kindness Box," colorful heart signs, and art depicting lending a helping hand—reminded everyone of values like sharing toys, being polite, saying "thank you," and supporting one another. Teachers and students demonstrated how dynamic, thoughtful actions like helping a friend who falls or supporting our elders bring joy to our community.

GK Quiz Competition of Grade 1

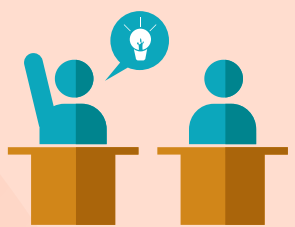

Curiosity and enthusiasm were in full display at Vatsalya Public School as our Grade 1 students participated in an engaging GK Quiz Competition centered on the topic "Our Country." Divided into energetic teams—including Genius Explorer, Little Geniuses, Curious Mind, and Smart Stars—our bright young minds enthusiastically put their knowledge to the test. It was an inspiring event that celebrated patriotic knowledge, teamwork, and a love for learning among our youngest scholars!

GK Quiz Competition of Grade 1

GK Quiz Competition of Pre Primary Classes

Our KG 1 learners brought immense energy and enthusiasm to their GK Quiz Competition centered on "Our National Symbols." The little ones enthusiastically identified symbols, answered fun picture prompts, and cheered for one another. The event was a wonderful showcase of early childhood curiosity, patriotism, and active learning!
